

# GEAR- PASSENGER RIDES

Current July 2014

1. The President / GEAR Committee must be satisfied that the passenger ride driver is suitably experienced and competent to conduct a passenger ride experience with safety. Length of GEAR membership and/or race experience will be considered.
2. Driver must be a GEAR member and be “armbanded” for that day’s driving.
3. All cars on the track at that time must have a passenger.
4. The car must be equipped with an approved or standard seat and restraint for the passenger.
5. The driver would drive at a reduced pace (80%)
6. The passenger must sign the QR indemnity form. If the passenger is under 18, the driver must sign the indemnity form as legal guardian. Proof may be required.
7. The passenger must also have suitable clothing and helmet.
